

THE SOCK ROCKERZ

PRESENT...
READY, SET, ROCK!

A high energy concert geared toward preschool to elementary aged children and designed to get everyone on their feet dancing and singing along to their favorite songs! This summer, the Sock Rockerz will show kids how much fun physical fitness can be with music, singing, and dance in their newest show:
Ready, Set, ROCK!

- Gets kids on their feet and exercising without even realizing it! At our shows, kids get to be free from quiet time and roar as loud as lions, make silly monkey faces, and dance like chickens!
- Fun for all ages! We can tweak our show for preschool all the way up to pre-teens. We use fun new music and add our own silly lyrics that are appealing and appropriate for the whole family!
- Includes singing, dancing, audience participation, story-telling, magic, games, and much more!
- Multiple show packages: the Sock Rockerz can perform as a solo act, duo, trio or as the whole gang!
- Ask about our TEEN WORKSHOPS for Acting, Music and Dance, Songwriting, and more!
